

Dear Parents,

This month your child will be learning about God's world. This week we will be learning about our climate and daily living here in the Pacific Northwest. During the month we will also be looking at Volcano's, Chinese N.Y. and Penguin's. For this reason, when you read the following, keep in mind that if your family comes from an area that has any of these attributes we would very much like to hear from you!

On Wednesday, January 18 [in the morning], we will celebrate Heritage Day. We would like to know more about *where* our students families come from. This would include things such as:

- What the climate is like
  - What do the children do for fun
- and/or
- Any custom your family may observe [pictures are a great way to show some of these things].

We very much enjoy hearing about the different heritage/customs of our students so please fill out the form below and return it to us by Thursday, January 12th if you or a family member is able/willing to share on that Wednesday morning.

Thursday, January 12 is Pajamas and Hot Cocoa Day. Your child is invited to come to school dressed in their favorite pajamas with a stuffed animal or doll. The morning will be filled with snow day activities, stories, hot cocoa and crafts.

We are excited to teach about the different climates and how children all over the world live, so thank you ahead of time for helping us do so.

Blessings,  
Mrs. Margie  
Mrs. Tammy
